Hello Matt,

We have had some complaints and inspections of the facility. I'll need to get with my Ag inspector to get the background on them. I'll send an e-mail with information as soon as possible. The Ag inspector is in the field today.

Thanks,

Hi Michael,

Thanks for the chat yesterday. We had an inquiry (there have been a few over the past couple years, I've talked with Tim about it before) about air concerns at Hickman Farms and its two Hickman Egg Ranch facilities in Arlington and Tonopah. Have you had any recent complaints, inspections, or anything else that I can let my management know about?

Thank you,  
Matt
